CLASSIC TOURER

Built for semi off-road terrain, the Classic Tourer features all the creature comforts of home to keep you on the road for longer.

DURABLE EXTERIOR

The exterior of our Classic Tourer has been designed with durability and longevity in mind, ensuring that it will withstand Australia's harsh climate with ease. This includes but is not limited to double glazed windows, screwed and glued Meranti frame, option of double ribbed aluminium cladding or aluminium composite panel, and is fully insulated.

FULLY EQUIPPED INTERIOR

The interior of our Classic Tourer caravan provides you with the creature comforts of home, ensuring that you have access to all the amenities that you couldn't camp without. Equipped with a toilet and shower, you can find pleasure in the fact you will not have to trek across the caravan park to use shared amenities.

QUALITY FURNITURE & APPLIANCES

All furniture is made from 15mm ply, meaning that it is lightweight without compromising its strength. We also use high quality LED lights to ensure that you can always see what you're doing. We only use the best quality appliances, designed specific for caravan use, including: an oven, refrigerator, microwave, 28ltr gas/electric hot water system and IBIS air conditioning to name a few.
