# TERRITORY

Take the road less travelled in the Supreme Territory, an off-road caravan purpose-built for exploring Australia's hidden treasures.

## COMFORTS OF HOME

Just because you might be following the road less travelled doesn't mean you have to give up on the creature comforts of home. This caravan is equipped with a full oven, ceramic swivelling toilet, double door fridge, microwave, reverse cycle air conditioner, washing machine (layout dependent), and an innerspring mattress.

## PREMIUM LIGHTING

When the sun goes down plenty of light is a must. The Territory is fitted with premium LED lighting – awning lights, a boot light, internal downlights, reading lights (bedroom and dinette) and grab handles.

## FEATURE PACKED FOR OFF ROAD

We have included a number of features in the Territory caravan to ensure that you can take it off road without issue. These include stone guard, checker plate protection to water tanks, extra strong aluminium cladding, full insulation, double glazed windows, two water tanks, two batteries and an advanced battery management system (lithium capabilities).
